

The MedEvac Foundation International has joined with Air and Surface Transport Nurses Association (ASTNA) and the International Association of Flight and Critical Care Paramedics (IAFCCP) to advance the **Taking Care of Our Own** initiative.

Current Foundation sponsored programs dedicated to our colleagues in air medical and critical care ground transport include:

- Scholarships to MTLI
- Scholarships to SMTA
- Donations to families in immediate need after an accident
- College scholarships to children who have lost a parent in service

Together, we have also developed an educational safety event that will address post-traumatic stress and the support available to our crew. **Presentations include:**

#### **Life Saving Behaviors/Emotional Resilience/PTSD: A Personal Story**

Multiple educational **Taking Care of Our Own** events will take place nationally with dates to be announced

**Register at: [https://aams.formstack.com/forms/mfi\\_tcoot2019](https://aams.formstack.com/forms/mfi_tcoot2019)**
